

Sweetwater Brewing Company | Atlanta, GA

For Sweetwater Brewing Company, Proficient provided services for a 1,500-square-foot renovation to the taproom. This included a new bar as the room's centerpiece and the addition of a kitchen allowing the brewery to offer catering services and a bar menu for taproom guests.

Grow House | Zolfo Springs, FL

Located on a 15-acre property, the cultivation facility is a 24,000-square-foot building that was a formerly used as a produce processing plant and is now being converted into a cannabis cultivation and production facility.

Dispensary | Adams, MA

The project is for a retail marijuana business with locations in Arizona, Illinois, Maryland, Pennsylvania, and Massachusetts. The Adams location is about 5,500 square feet and the shop will serve both retail customers and patients seeking medical marijuana.

Three Taverns Imaginarium | Alpharetta, GA

Three Taverns Imaginarium is part of the Atlanta Dairies development on Memorial Drive and is an extension of Decatur's Three Taverns Brewery. The establishment is equal parts laboratory, brewery, and tasting room.

Grow House | Milledgeville, GA

The project is a 100,000-square-foot cannabis grow house and processing plant with approximately 100 employees. The company will be producing primarily CBD oils by growing the product, drying it, and then converting it to pills and oils all in the same building.

Good Word Brewing & Public House | Duluth, GA

Good Word Brewing & Public House is an 8,000-square-foot establishment that serves micro-brewed beers paired with Southern & Latin plates in a warehouse-like atmosphere.

Hop Alley Brew Pub | Alpharetta, GA

Totaling 3,000 square feet, Hope Alley Brew Pub provided in-house brewed beer and pouring beers brought in from world renowned breweries. The establishment also provided a fresh menu of food produced by local farmers.

Cherry Street Brewing | Alpharetta, GA

Cherry Street Brewing is an 8,000-square-foot brew-pub and beer garden that is part of Forsyth County's Halcyon development.

Second Self | Atlanta, GA

Second Self Brewery is located on the West side of Atlanta. The building is 4,000 square feet and includes a tasting room with a game area, storage space and beer making room.

Halfway Crooks | Atlanta, GA

Halfway Crooks is a two-story, brick-structured brewery on the north side of Summerhill.

Reformation Brewery | Woodstock, GA

Proficient provided services for the relocation of Reformation Brewery into an existing 7,000-square-foot building.

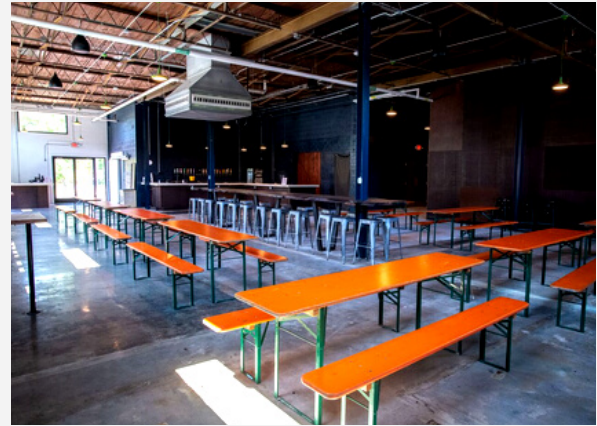

Grow House | Newport, AR

The 35,000-square-foot cannabis cultivation facility includes rooms for refining, extraction, production, drying, and packaging as well as vegetative and flower areas.

Fetch Park | Atlanta, Alpharetta, & Buckhead, GA

Fetch Park is Atlanta's first full-service dog park restaurant and bar followed by locations in Alpharetta and Buckhead. Fetch Park features cooling stations, dog wash stations, and an off-leash area for dogs to roam as well as outdoor TV's and an open-air bar for the pet owners to enjoy sipping on craft cocktails, beer, and wine.

Wild Heaven Beer | Atlanta, GA

Wild Heaven Beer is located on the Beltline in the Lee + White Development. The brewery is 20,700 square feet including cold storage, dry storage, event space, and office space.

Elsewhere Brewing | Atlanta, GA

Elsewhere sells a diverse line-up of American and European brews and offers Argentine inspired sandwiches & empanadas, along with other seasonal plates. Elsewhere's taproom design takes inspiration from beer gardens in Bavaria, pubs in Yorkshire, cafes in Brussels, drinking halls in Prague, and mezcaterias in Oaxac, forming a unique and homey atmosphere.

Sabbath Brewing | Atlanta, GA

Located on Flat Shoals Avenue, Sabbath Brewing focuses on brewing high quality ales fermented in oak such as Saisons and Grisettes. The venue also hosts live music and game nights. We provided the plumbing design for the new establishment.

Pontoon Brewing | Tucker, GA

Pontoon Brewing is opening a new location at an existing warehouse in Tucker, GA. The building includes 3,000-square-foot of office area that will be converted into a tasting room and small kitchen. The restrooms need to be upgraded and the HVAC design needs to be re-worked. The rest of the space will become Pontoon's new primary production brewery.

Outrun Brewery | Stone Mountain, GA

Outrun Brewery is a small-scale production brewery that sells beer only available in their taproom. The project for this establishment consisted of a renovation of an existing pure filling station into a brewery and tasting room.

6S Brewing Co. | Duluth, GA

Located in 3,849 square feet of space, 6S Brewing Co. underwent a renovation for the removal of the building's roof from the tasting room back area and providing a new roof and support structure. The establishment's brewhouse moving to the back called for major mechanical, electrical, and plumbing design changes.

Round Trip Brewing | Atlanta, GA

An existing industrial building is being renovated into a brewery. The structure will need a new HVAC design that services the tasting room and event room. Plumbing and electrical designs are also needed for the renovation.
